

ACCOUNTING SERVICES

Who are we?

About AK Accounting Services

We at AK Accounting understand that every individual and every business faces a unique challenge when it comes to accounting. We believe with our approach sets us aside from our competitors.

We can prepare accounts for all types of business, from sole traders, partnerships, limited companies and limited liability partnerships. Our services are not restricted to businesses and we have a large core of individual clients.

In today's fast-paced, complex and competitive environment, we understand that businesses, as well as individuals, need a helping hand. We understand that accounting isn't fun for everyone, but we're truly passionate about what we do and the clients we work with.

Aisha Khalid

Founder / Owner

“

We have the capabilities and experience to deliver our services you need to move forward.

”
